Description
This agricultural field in Vavla covers 6689 m² of sloping, irregularly shaped ground in an open countryside setting. It lies within an area set aside for livestock farming, where premises for raising animals and poultry are permitted. The village centre is a short drive away, as are neighbouring Kato Drys and Ora. A petrol station is close by, and the Nicosia–Limassol motorway is within driving distance. The field has no direct road access. It is a versatile piece of farmland on the edge of a Larnaca hill village.
