Description
A coastal field in Neo Chorio, a short drive from Latchi and Polis, offering 2174 m² of agricultural land in an open countryside setting. The ground has a smooth surface, and the plot runs in a narrow, irregular strip suited to farming or planting.

The Neo Chorio village centre is a short drive away, as is the neighbouring village of Androlikou, with main roads and petrol stations within a drive. This is a versatile piece of land with smooth, workable ground in the farming countryside of the Polis Chrysochous area.
