For Sale : **€ 7,500**

**Description**
A field listed in Pomos, set in open countryside within the Paphos district. The land covers 12,710 m². It has an irregular shape and an inclined surface that follows the natural lie of the landscape, away from dense urban development.

The village centre is a short drive away, and so are the neighbouring villages of Pachyammos and Nea Dhimmata. The region's main roads lie further afield. This sale is for a one-quarter share of the field. It is a sizeable piece of the Cypriot countryside on the sloping ground of this Pomos community.
