For Sale : **€ 45,000**

Description
A field of 9,783 m² in Giolou, set in open countryside a short drive from the village centre. The surface is smooth and the shape almost rectangular, which keeps working the land straightforward. A public pathway runs along one side and gives access to the plot.

The land is zoned for agricultural use and suits farming or planting. The neighbouring villages of Stroumpi and Theletra are a short drive away, with petrol stations close by and the Limassol–Paphos Motorway within a drive. This is a versatile, well-proportioned piece of farmland in the Giolou countryside.
