Description
Set in an open, landscape-led stretch of countryside away from dense development, this field in Kato Lefkara in the Larnaca district covers 8,696 m². The ground slopes, the outline is irregular, and the land is reached by a dirt track.

The village centre and neighbouring Delikipos are a short drive away, with Pano Lefkara a little further on. The Nicosia–Limassol motorway and the main roads are also a short drive away, which keeps the wider district within easy reach.

This is a generous, sloping piece of the Cypriot countryside in the Kato Lefkara area.
