For Sale : **€ 12,000**

Description
An agricultural field in Kato Drys, set in open countryside a short drive from the village centre and the well-known Lefkara villages. The land extends to 12375 m² of farmland with an inclined surface and an irregular shape, and its agricultural zoning suits farming or planting.

The field has no direct road access. The Nicosia–Limassol motorway is a short drive away, linking the area with the rest of Larnaca district and beyond, and petrol stations are close by. This is a generous parcel of Kato Drys farmland in a rural, landscape-led part of the district.
