Description
Set in Farmakas, in the Nicosia district, and not far from Farmakas lake, this agricultural field covers 14,000 m² of irregularly shaped, sloping ground. The village centre is a short drive away, as are the neighbouring villages of Apliki and Kampi, and a main road is a drive further. The land is zoned for agriculture, which suits farming and planting, and it has direct road access along one boundary. The sale is for a 23/72 share of the field. It is a sizeable piece of farmland with its own road frontage.
