For Sale : **€ 6,500**

Description
An agricultural field for sale in Pano Pyrgos, set in open countryside within easy reach of the village centre. The land lies on sloping ground with an irregular shape and has direct road access, which makes reaching it for farming or planting straightforward. A petrol station is a short drive away, as are neighbouring Kato Pyrgos and Pigenia. Zoned for agricultural use, the field suits cultivation or low-intensity rural use in the Nicosia district countryside. This sale is for a share of the field. It is a practical, uncomplicated piece of farmland with a road along its boundary.
