For Sale : **€ 10,000**

Description
Set on rising ground in the countryside of Pano Lefkara, this field offers a generous stretch of open land in a landscape-led setting away from dense urban development. The whole field measures 17,726 m², with a gently inclined surface and an irregular, natural outline. It is accessible by road. The villages of Vavla and Lageia and the town centre are a short drive away, and the motorways linking Nicosia, Limassol and Larnaca are within a drive. This sale is for a half share of the field. It is a long-term land holding in an open Larnaca hillside setting.
