Description
Set in the countryside of Kritou Tera, this 7024 m² field sits in a quiet location a short drive from the village centre. The land has an irregular shape and sloping ground, and it has direct road access, which makes reaching it simple.

The neighbouring villages of Kato and Pano Akourdaleia are a short drive away, as are petrol stations. Main roads are a drive away, and the Limassol–Paphos Motorway lies in the wider region. This is a generous piece of rural land with its own road access, in an open countryside setting away from dense development.
