Description
An agricultural field in Lysos, Cyprus, set in open Paphos countryside away from dense development. The whole field covers 59,198 m² of even ground with an irregular outline, and its agricultural zoning suits farming and planting. The village centre of Lysos is a short drive away, as are the neighbouring villages of Kynousa and Pelathousa. This sale is for a one-twenty-fifth share of the field. It is a broad, level stretch of farmland in an open countryside setting.
