Description
Set in the countryside of Tsada, in the Paphos district, this agricultural field covers 9,031 m² of open land. The ground is irregular in shape and slopes across its surface. The field has direct road access, with frontage onto a pathway road along one of its boundaries.

Its agricultural zoning suits farming or planting. The village centre is a short drive away, and the Limassol - Paphos Motorway can be reached by car. It is a sizeable piece of sloping farmland with its own road frontage.
