Description
Open countryside surrounds this agricultural field in Pano Pyrgos, a village in the Nicosia district within a short drive of Kato Pyrgos and Pigenia. The whole parcel extends to 17,392 m² of sloping, irregularly shaped ground, zoned for agricultural use.

The land lends itself to farming, planting or other low-intensity rural use, away from dense development. The village centre and a petrol station are a short drive away. The land has no direct road access. This sale is for a one-twelfth share of the land. It is a sizeable, uncomplicated piece of farmland in the Pano Pyrgos countryside.
