For Sale : **€ 3,000**

Description
Agricultural land in Steni: a 4,014 m² field set in open countryside within the Paphos district. Zoned for farming, it lends itself to planting or cultivation, surrounded by the natural landscape of the area. The ground is uneven and irregular in shape, and the field has no direct road access.

The village centre of Steni is a short drive away, as are the neighbouring villages of Agios Isidoros and Karamoullides and local petrol stations. The setting is landscape-led, well away from dense urban development. This sale is for a one-half share of the field. It is a versatile piece of farmland in a rural part of Paphos.
