Description
Village life is right on the doorstep here. This residential field in Pano Panagia lies close to the community centre, with cafés, restaurants and a shop right beside it. Morning coffee, a chat over lunch or a quick errand for bread all sit within a few steps. Beyond the village, the countryside opens out, and the Kannaviou Reservoir and the area's parks and green spaces are a short drive away. The land covers 3,531 m² of sloping, irregularly shaped ground. A long frontage on a public road gives it direct road access. Its residential zoning offers room for a home, set within the everyday rhythm of the village yet close to open, green surroundings. An old abandoned room stands on the land. The sale is for a 2/3 share of the field. Here, a home could take shape with the warmth of Pano Panagia just beyond the gate and the reservoir country waiting a little further on.
