Description
A generous field of 21192 m² on sloping ground, set in open countryside outside Farmakas in the Nicosia district. The land is irregular in shape and is reached by an access road, giving a practical way in for farming or planting.

The village centre is a short drive away, as are the neighbouring villages of Kampi and Lazanias, and a main road is within a drive. Zoned for agricultural use, this is a versatile piece of Farmakas land with plenty of room to work across its full extent.
