For Sale : **€ 550**

Description
For sale: a field in Steni, set in an open countryside setting in the Paphos district, with the village centre, petrol stations and the neighbouring villages of Agios Isidoros and Skoulli all a short drive away.

The field covers 484 m² of agricultural land in a natural rural landscape. The ground is uneven, and a stream runs through part of the field. The land has no road access. This sale is for a one-half share of the field. It is a small, uncomplicated piece of farmland with its own stream in the Steni countryside.
