Description
In the countryside of Kallepeia, a short drive from the village centre and from neighbouring Letymvou, this agricultural field covers 10,034 m². Most of the land lies in an agricultural zone suited to farming. A small part falls within a protection zone. The ground is sloping and irregular in shape. The field has direct road access, with a long frontage onto a public road along one boundary. The Limassol - Paphos Motorway is a drive away. This is a sizeable field of sloping farmland with its own road frontage.
