For Sale : **€ 30,000**

Description
Letymvou's village heart is only a short walk from this residential field. The community centre and the church of Ayios Theodoros are close by, and restaurants and cafés can be reached on foot, so the rhythm of authentic Cypriot village life sits right around you.

The land covers 2,007 m² and is zoned for residential use, with room for a home in these welcoming surroundings. It has an irregular shape and a sloping surface. It fronts a road along one side, which gives it direct road access.

Everyday errands are easy to manage: supermarkets and schools lie a short drive away. Picture coffee at a village café and a stroll past the church, all within reach of the land you plan around.

The sale is for a 1/2 share of the field.

A residential plot moments from the centre of a Paphos village, with village life close at hand.
