Description
This agricultural field in Salamiou covers 1766 m² of open countryside within the village's farming land. The ground slopes and the field has an irregular outline. Its agricultural zoning allows it to be farmed or planted. The field has no direct road access of its own.

The village centre is a short drive away, as are the neighbouring villages of Mesana and Kidasi. The Limassol–Paphos Motorway and other main roads lie in the wider region. This is a versatile piece of Cypriot countryside with room to farm or plant.
