For Sale : **€ 5,000**

Description
A field on the market in Pano Lefkara, Cyprus, set in open countryside away from dense urban development. The land covers 2342 m². It has an irregular shape and an inclined surface that follows the natural lie of the ground. The field has no direct road access of its own.

The village centre, petrol stations and neighbouring Kato Lefkara are all a short drive away, and Delikipos lies a little further on. This is an uncomplicated rural land purchase: a generous piece of open land in the Lefkara countryside of Larnaca district.
