For Sale : **€ 3,000**

Description
An agricultural field in Kalavasos, set in open countryside outside the village in the Larnaca district. The land extends to 1673 m², with an irregular shape and a sloping surface. Its agricultural zoning suits farming and planting.

The village centre is a short drive away, as are the neighbouring villages of Asgata and Mari, and the Nicosia–Limassol motorway is within reach of the area. The field itself has no direct road access. It is an uncomplicated rural land purchase: a modest, sloping parcel of farmland in the Kalavasos countryside.
