Description
A field of 1,673 m² in the countryside of Kato Lefkara, in the Larnaca district. The ground is irregular in shape with a sloping surface, and the land has road access. The village centre is a short drive away, as are the neighbouring villages of Pano Lefkara and Kato Drys, and the Nicosia to Limassol motorway is within a drive.

The land lies within a protection zone. It is an open piece of sloping countryside in a landscape-led setting, away from dense development.
