For Sale : **€ 2,000**

Description
An open countryside setting in the Larnaca district surrounds this enclosed field in Psevdas. It is a regular-shaped parcel with even ground and a stream running through it. The land sits in an agricultural area near the village of Pyrga. Agia Anna, petrol stations and the main roads are a short drive away, and the Nicosia–Limassol motorway is within easy reach by car.

This sale is for a one-eighth share of the field.

Level, enclosed and crossed by its own stream, this is a straightforward piece of rural land in a landscape-led setting away from dense development.
