Description
Set in open countryside within the village boundaries of Drymou in the Paphos district, this agricultural field offers 10,703 m² of farmland. The land has an irregular shape and an uneven surface. Its agricultural zoning makes it a versatile piece of land for planting or farming. The field has no direct road access. The village centre of Drymou is a short drive away, as are the neighbouring villages of Simou and Lasa. Petrol stations can be reached with a drive. This is a generous, uncomplicated piece of farmland in a rural part of Paphos.
