Description
Open countryside close to Kalavasos Dam surrounds this agricultural field in Ora, in the Larnaca district. The land covers 5686 m² of sloping ground with an irregular shape. Its agricultural zoning suits farming or planting.

The villages of Drapeia, Parsata and Vavla are a short drive away, and the main motorway network linking Nicosia, Limassol and Larnaca is within a drive. This sale is for a half share of the field. It is a versatile piece of rural land, set in open countryside away from dense development.
