Description
In the countryside around Tsada, in the Paphos district, this agricultural field covers 10,824 m² of sloping, irregularly shaped ground. It sits within an agricultural zone, so it lends itself to farming or planting.

The land has direct road access along two of its borders. The village centre, neighbouring Koili and the main roads are all a short drive away, and the Limassol–Paphos motorway is a drive further on. The sale is for a 1/2 share of the field. This is a sizeable piece of farmland with road frontage, within easy reach of Tsada village.
