Description
Set in the Paphos countryside, this field in Thrinia offers 4348 m² of agricultural land for farming or planting. The ground slopes gently across an irregular outline, giving a varied piece of land to work with.

The field lies a short distance from the centre of Thrinia, and the neighbouring villages of Milia and Lasa are a short drive away. Main roads and a petrol station are within easy driving distance, and the Limassol–Paphos Motorway serves the wider region.

It is a versatile piece of agricultural land in an open countryside setting.
