Description
Two adjoining agricultural fields in Polemi, Paphos, are offered together as one holding of 8,669 m². Together they form a regular, well-proportioned shape with an even surface. The ground is straightforward to work, plant or hold as open farmland. A road runs between the two fields, giving direct road access.

The Polemi village centre is a short drive away, as are the neighbouring villages of Psathi and Choulou and a petrol station. The Limassol–Paphos Motorway and its junctions are within driving distance. This is level, versatile agricultural land in an open countryside setting.
