Description
A field for sale in Stroumpi, set in open countryside a short drive from the village centre. The land covers 6,689 m² of agricultural ground, with a sloping surface and an irregular shape that follows the natural lie of the land.

Theletra and Old Theletra are a short drive away, as are petrol stations. The main roads and the Limassol–Paphos Motorway are within a drive. The land is zoned for agricultural use and suits farming or planting. This is a generous piece of Paphos countryside with plenty of ground to work.
