Description
Set in the countryside of Pentalia village in the Paphos district, this agricultural field covers 19733 m² of open rural land. The ground slopes and the plot has an irregular shape, and its agricultural zoning makes it land for farming or planting. The field is landlocked and has no direct road access.

Nea Pentalia is a short drive away, as are the neighbouring villages of Faleia and Amargeti. The Limassol–Paphos motorway and other main roads are a longer drive. This is a generous piece of farmland in the Pentalia countryside.
