Description
In an open countryside setting a short drive from the village centre, this agricultural field in Kato Akourdaleia covers 6021 m² of sloping ground. It is irregular in shape and has direct road access along one side. The neighbouring villages of Miliou and Loukrounou are close by, and petrol stations are within easy reach. The Limassol–Paphos Motorway lies in the wider region.

As agricultural land, it lends itself to farming or planting. This sale is for a half share of the field. A versatile piece of land with straightforward access from the road.
