For Sale : **€ 17,500**

Description
Village life sets the tone here. This field on the market in Pano Arodes, Cyprus, sits in authentic village surroundings, with restaurants and cafés within walking distance and the neighbouring villages of Kato Arodes and Kritou Tera a short drive away.

The land covers a generous 5976 m² of sloping, irregularly shaped ground with direct road access. Its residential zoning points towards a home in a landscape-led setting, away from dense urban development. Supermarkets, shops, petrol stations and green spaces are all a short drive from the village, so everyday needs are easy to meet.

When the coast calls, the beaches at Toxeftra and White River Beach are a drive away, and Paphos International Airport is about 25 km off, which keeps the island and the wider world within comfortable reach. Main roads and a medical centre are a drive away too.

This sale is for a 1099/7840 share of the field. It offers residential land rooted in the slower pace and close-knit community of Pano Arodes, with the café table nearby and the sea within reach.
