Description
Village life in Pano Panagia sits only a short walk from this residential land. The community centre is close by, and cafés and restaurants are within walking distance, so a morning coffee or an evening meal out can begin on foot.

The land covers 939 m² of inclined, irregularly shaped ground. Its residential zoning gives room for a home of your own, set among the rhythm of a Paphos village community. The land has no direct road access.

Beyond the village, Kannaviou Reservoir is a short drive away, a natural spot for a weekend walk by the water. The wider area also rewards longer outings, with Kykkos Monastery a drive away.

A plot close to the centre of village life, with room to shape a home around it.
