For Sale : **€ 17,000**

Description
Agricultural land for sale in Pentalia, in the Paphos countryside: two adjoining fields offered together as one holding of 16,175 m². The combined plot has an irregular shape and a sloping surface, and it has direct road access, making it straightforward to reach for farming or planting. The village centre of Pentalia is a short drive away, as are neighbouring Faleia and Nea Pentalia, while the Limassol–Paphos Motorway and main roads can be reached by car. Zoned for agricultural use, this is a generous, uncomplicated piece of open countryside land in an established farming area of Paphos.
