For Sale : **€ 9,000**

Description
Village life, open landscape and a school within walking distance: this residential field for sale in Agioi Vavatsinias brings together everyday practicality and the authentic side of Cyprus. Just a short stroll from the heart of the community, it sits among the traditional homes and lanes that give the village its character.

Zoned for residential use, the land offers a setting for a home of your own in a place with a strong local identity. It has direct road access, and its gently sloping, irregular shape invites a design that works with the landscape rather than against it.

Restaurants, cafés and green spaces are a short drive away, as are the neighbouring villages of Ora and Melini. The nature trails around Kionia peak are close by, while the heritage village of Fikardou and the Church of the Transfiguration of the Saviour make rewarding outings. The motorway linking Nicosia and Limassol lies within the wider region.

This sale is for a half share of the field.

A place to put down roots in a close-knit village, with the hills of Kionia close at hand.
