For Sale : **€ 6,000**

Description
Open countryside surrounds this field in Kampi, a short drive from the village centre. The land covers 15,998 m², with an irregular shape and a sloping surface that follows the lie of the landscape around it. It has direct road access. The neighbouring villages of Farmakas and Odou are a short drive away, a main road is within a drive, and the Nicosia–Limassol Motorway lies in the wider region. This sale is for a one-third share of the land. It is a sizeable, uncomplicated stretch of Cypriot countryside with its own road access.
