For Sale : **€ 8,000**

Description
For sale in Farmakas, this field brings together four adjoining agricultural parcels, offered as one unit with a combined area of 12,042 m². The ground slopes and is irregular in shape, in an open countryside setting within the Nicosia district. The land has no direct road access.

Its agricultural zoning suits farming or planting. The village centre is a short drive away, with the neighbouring villages of Odou and Kampi also close by. Four parcels in a single purchase make one sizeable stretch of farmland that can be worked as a whole.
