For Sale : **€ 13,000**

Description
Set in the farmland around Faleia in the Paphos district, this agricultural field covers 18,061 m². It lies outside the village, a short drive from the village centre and from neighbouring Pentalia.

The land is irregular in shape, with a sloping surface, and its agricultural use makes it land for farming and planting. The field has no direct road access. It is a sizeable stretch of sloping farmland in the countryside of Faleia.
