Description
For sale: a field in Lasa, set in open countryside a short drive from the village centre. The land is agricultural, suited to farming or planting, and sits in a landscape-led setting away from dense urban development.

The field is irregular in shape with uneven ground, and it has no direct road access. The neighbouring villages of Drymou and Thrinia are a short drive away, with a petrol station and the main roads within a drive. In all, the field offers 3679 m² of agricultural land, a sizeable piece of the Paphos countryside.
