Description
A generous agricultural field of 17,726 m² in the countryside of Agios Georgios in Paphos District. It is a short drive from the village centre and from the neighbouring villages of Trachypedoula and Maronas. The land has an irregular shape and a sloping surface, and it is reached by road. Its agricultural zoning suits farming or planting, and the main roads and the Limassol–Paphos Motorway are within a drive.

Set in an open countryside setting, this is a versatile piece of land with real size to work with.
