Description
Two neighbouring agricultural fields in Galataria are offered together as a single piece of land of 12,376 m², set on sloping ground in an open countryside setting. The land has direct road access. The village centre is a short drive away, as are the nearby villages of Koilineia and Pentalia. The Limassol - Paphos Motorway and other main roads are within reach in the wider region, so the land is easy to reach from across the district. Zoned for agricultural use, it suits farming or planting. This is a sizeable, versatile parcel of Paphos farmland with its own road access.
