Description
A field of 9700 m² in the countryside around Kelokedara in Paphos, on agricultural land suited to farming and planting. The ground slopes gently across an irregular shape, in an open rural landscape away from dense development. The village centre is a short drive away, as are the neighbouring villages of Agia Marina Kelokedaron and Pentalia, and the Limassol–Paphos motorway is a drive further on. The field has no direct road access. It offers a generous, sloping stretch of Paphos farmland with room to cultivate.
