Description
A sizeable agricultural field is on the market in Koilineia, in the Paphos countryside, covering 14,716 m² of open farmland. The ground slopes and has an irregular shape, and a public pathway runs along one side of the land.

The field lies outside the village centre, with Galataria, Vretsia and Agios Ioannis a short drive away. The Limassol–Paphos motorway is within reach in the wider region. Its agricultural zoning suits farming or planting, and it would make a practical addition to an existing agricultural property. This is a generous and versatile piece of Koilineia farmland in an open countryside setting.
