Description
Set in open countryside around Tremithousa, this agricultural field covers 12710 m² of sloping ground. Its irregular shape follows the natural lie of the land, and it is reached by a dirt track. As agricultural land, it suits farming or planting. The village centre is a short drive away, as are neighbouring Emba and Tala, local petrol stations and the main roads. The Limassol–Paphos Motorway is also within easy reach. This sale is for a one-eighth share of the field. It is a versatile piece of Paphos countryside with open ground to work.
