Description
A field of 3940 m² in Palaichori Oreinis, a village in the Nicosia district. The land has an irregular shape and a sloping surface, in an open countryside setting away from dense urban development.

It has direct road access. The village centre and a petrol station are a short drive away, as are the neighbouring villages of Palaichori Morfou and Askas, and the main roads are within a drive. This is a sizeable piece of the Cypriot countryside with its own road access.
