For Sale : **€ 12,000**

Description
Set in open countryside outside the village of Lemona, this agricultural field covers 55519 m² of gently sloping ground in the Paphos district. Its irregular shape follows the natural lie of the land, and its agricultural zoning suits farming or planting.

The village centre is a short drive away, as are the neighbouring villages of Kourdaka and Pitargou. Main roads and the Limassol–Paphos Motorway are within a drive. This sale is for a one-third share of the field. It is a versatile piece of land with real scale in the Lemona countryside.
