Description
Set in an open countryside setting, this agricultural field in Eledio covers a generous 23,412 m² of farmland in the Paphos district. The land has a regular, well-proportioned shape and a sloping surface, and it is reached by an access road. Its agricultural zoning suits farming or planting.

The village centre of Eledio is a short drive away, as are the neighbouring villages of Axylou and Amargeti. The Limassol–Paphos Motorway is within a drive. This is a sizeable and versatile piece of agricultural land in the Paphos countryside.
