Description
A sloping field on rising ground in Filousa Kelokedaron, a small community in the Paphos district. The land covers 4080 m² of agricultural ground. It is regular in shape and well proportioned, with direct road access that makes it simple to reach and to work.

The village centre is a short drive away, as are the neighbouring villages of Praitori and Agios Nikolaos, and the Limassol - Paphos Motorway lies within the wider region. Zoned for agriculture, the land suits planting or cultivation in an open countryside setting. This is a practical, uncomplicated piece of farmland with its own road access.
