Description
A sizeable agricultural field in Choulou, set in open countryside in the Paphos district. The land covers 8362 m², with a sloping surface and an irregular shape. Its agricultural zoning suits farming and planting.

The village centre is a short drive away, as are the neighbouring villages of Psathi and Agios Dimitrianos. A petrol station, main roads and the Limassol - Paphos Motorway are all within driving distance. This is a generous piece of farmland in a rural setting, away from dense development.
